

## Eliza Popa - Sr. Information Security Consultant, Auditor and Trainer

Eliza has been working with critical information infrastructure organizations for over 30 years, out of which 14 years have been dedicated to IT digital transformation projects and operations, and over 10 years to information security, both in client and consulting roles. During this time, she has contributed to the success of projects with budgets ranging from \$200K to \$3.5M.

In 2016, she began training and mentoring thousands of professionals through online study groups. Many of them have successfully passed examinations and obtained certifications such as CISA, CISM, CISSP, and CRISC.

As of 2019, Eliza is the founder and managing director of Cyberstrat IT Consulting, an advisory firm registered in Abu Dhabi, United Arab Emirates, and an ISC2 Official Training Instructor, PECB Certified Trainer, CSA Authorized Training Instructor, and APMG Accredited Trainer.
